VISIT BY A DELEGATION FROM KOREA YOUTH WORK AGENCY (KYWA)

Universiti Malaya Centre for Civilisational Dialogue (UMCCD) had the immense pleasure of hosting a delegation from the Korea Youth Work Agency (KYWA) on the 26th September 2024. KYWA is a public organisation that runs five national youth training facilities across South Korea and offers all-encompassing assistance for young people's healthy development. Promoting diverse and imaginative youth activities is their aim in order to unlock the potential of young people and help them develop their personalities. The 8-people delegation consisted of representatives of various youth-related government and NGO institutions in Korea who were chosen among many officers.

A casual but very beneficial discussion on topics including the mechanisms of communication and dialogue interactions was conducted, while enjoying a delicious meal at the Artisan Kitchen, Universiti Malaya.

The informal discussion gave both parties

the opportunity to casually know each other in depth. The interaction continued through activities at Rimba Ilmu, D'Halaman Books Store, and around Universiti Malaya.

It was an inspiring exchange of ideas and experiences as UMCCD and KYWA representatives discussed on youth engagement, cultural understanding, and strategies for fostering dialogue across diverse communities. The visit provided an excellent platform for strengthening the commitment to nurturing mutual respect, collaboration, and the spirit of global citizenship. The guests from the Korea Youth Work Agency (KYW) had a valuable experience and saw the space to cooperate with UMCCD and carry out beneficial activities at Universiti Malaya.

We also look forward to exploring more opportunities to work together and further our shared vision for a more inclusive and harmonious future! We look forward to collaborative activities in 2025!
